Dear Schodack CSD families,

Throughout the school year, your child may be photographed during a classroom project, assembly, field trip or PTO event. As part of the district's efforts to recognize student achievement and share school activities with our community, these photographs may be used on the district's website, Facebook or Twitter pages, in school publications, or released to the media.

If you **DO NOT** want your child's photo used, please fill out this form and return it to your school's main office as soon as possible. We will make sure not to use your student's photo.

If it is acceptable for the district to use your child's photo to share student achievements or school activities, no response is necessary. This form should only be returned if you **DO NOT** want your student's photo used.

If you have any questions or concerns, please contact your school's main office.

Thank you.
