GUIDANCE COUNSELORS

August 1, 2018

Greetings Parents and Students:

I hope that you are enjoying your summer vacation and that you are looking forward to the start of the upcoming school year. There have been many changes here at the new Maple Hill Jr./Sr. High School throughout the summer, and we are looking forward to your return to the classrooms on **Thursday, September 6th**. We have had the opportunity to meet many of you through the years and Mrs. Sullivan and I are looking forward to being your principals at the start of the upcoming school year.

To help make a successful transition into the high school, we have planned a **Grade 7 and 8 Ice Cream Social for parents and students in the cafeteria on Tuesday, August 28th from 5:30-7:00 p.m.** At the ice cream social you will receive valuable information that will help you have a smooth transition to a new school. There will be school staff available to help answer any questions you may have. Master locks and locker assignments will be available to you during the orientation. Only school issued locks may be used. We will also be handing out schedules and helping you to understand how to read your schedules.

Maple Hill Jr./Sr. High School will continue communication with parents and students through monthly eNews emails and our website as well as the e-school parent/student portal. You can also "Like" the Schodack Central School District on [Facebook](#) or follow our Twitter page [@MapleHill_HS](#). Information regarding e-school portal can be found at www.schodack.k12.ny.us.

There are three separate Chemical Health programs at the beginning of each sports season. If you plan to participate in sports during the 2018-19 school year, you and a parent are expected to attend this workshop prior to your sports season. The Fall Chemical Health Night is **Thursday, August 16th at 6:00 p.m.**, in the auditorium. The fall sports "Meet the Coaches" meeting will follow the program.

Enjoy the remaining days of your summer vacation! We are looking forward to a new and exciting 2018-19 school year. I am looking forward to seeing you all in a few weeks.

Sincerely,

Jacqueline Hill
Principal
