HAVE A QUESTION?

Who Do I Contact for Answers About My Child's Education?

1. If you have a question, your first contact should be your child's teacher. Please call the main office of your student's school and they will put you in contact with your child's teacher. Email addresses and phone extensions are also available online at www.schodack.k12.ny.us. Parent-teacher conferences, scheduled in the fall and spring, are great times to ask questions. You may also request a parent-teacher conference at any time.
2. If you are not satisfied after speaking with your child's teacher, please contact your child's principal.
3. If you are not satisfied after speaking with your child's principal, please contact Superintendent Jason Chevrier at (518) 732-2297.
4. If you are not satisfied after speaking with Mr. Chevrier, please contact the Board of Education by attending a Board meeting or emailing boardofeducation@schodack.k12.ny.us.

Who Do I Contact If My Child Will Miss School or Will Be Late?

If your child will be absent or late, please call your school's Health Office. Phone numbers are listed in this calendar. You can call the Health Office at any time, day or night. If we do not hear from you, we will place an automated phone call to ensure your child is accounted for and safe. If your student is absent for multiple days and we do not hear from you, our school nurses will make a personal call to check on your child. Please send a note with the reason for your child's absence when your child returns to school.

Who Do I Contact for Answers About Student Transportation?

Please contact the Transportation Department at (518) 732-2070.

Who Do I Contact for Answers About School Lunch or Breakfast?

STAY CONNECTED

Question?

Whenever you have a question, please call your student's school. While Schodack CSD utilizes many communication tools, a phone call or a meeting with a teacher or principal is often the best way to resolve questions about your child's education. Commonly requested phone extensions are available in this calendar and online at www.schodack.k12.ny.us.

School District Website

Community members are encouraged to visit www.schodack.k12.ny.us for the most up-to-date information about the school district. The website is updated regularly and includes resources such as an online calendar, emergency announcements and stories about what students are learning.

eNews

eNews is an email sent out every two weeks, sharing upcoming events, emergency announcements and other school information. Sign up by visiting www.schodack.k12.ny.us and clicking on "eNews".

Facebook

Enjoy stories and photos of the great things going on at Schodack CSD schools on our Facebook page, www.facebook.com/SchodackCSD. The social media site also provides reminders about upcoming events and emergency announcements.

Many of our teachers and administrators also use Twitter to share what is going on in their classrooms. Visit www.schodack.k12.ny.us to see a list of teachers on Twitter.

Parent Portal

Parents can follow their students' education through the district's Parent Portal. The portal offers parents a secure, online way to access attendance, grades and other information about their student. STUDENT DROP OFF

Dropping Off Students

If you drop off your child in the morning, please use the designated parent drop off zones and do not leave your car unattended. For the safety of our students, please drive slowly and take extra care to look for students. Give yourself enough time to drop off your student safely. Please do not use designated bus loops to drop off students.

Dropping Off Students After School Starts

If your student is going to be late for school, please provide a written excuse for the student's tardiness. Students arriving late to school should report directly to the school's main office. For more information, please see the student handbooks which are available online at www.schodack.k12.ny.us.

Please No Parking in Bus Loop

Please do not park your vehicle in the bus loop in front of school buildings. For the safety of our students, faculty and staff, it is imperative that bus loops be kept clear for emergency vehicles.

Please Drive Carefully

For the safety of our students, we ask all visitors to please take extra caution when driving on school grounds. Drop off location and parking lots can get quite busy so please adhere to the 15 MPH speed limit and watch carefully for students. It is illegal to pass a stopped school bus when its signal lights are flashing.

STUDENT TRANSPORTATION

Who Do I Contact for Answers About Student Transportation?

Please contact the Transportation Department at (518) 732-2070.

Signed Note Required for Change in Transportation

If your child needs to take a different bus route home, please complete a Bus Note form for CES students or send a note in for Maple Hill students with your child to school. Bus Note forms for CES students are available in the school's main office and at www.schodack.k12.ny.us. It is important that the school has all the necessary information to ensure that your child arrives at the correct destination.

Requesting Someone Else Pick Up Child

If you have arranged for someone other than a parent to pick up your child, please be sure to send a note including the individual's name. That individual will need to have photo identification in order to pick up your child. These requests must be made in writing.

Early Release Requests

If your student needs to be excused early from school for illness or a medical appointment, please submit a written request to the Main Office before the start of school. Parents are required to pick up students at the Main Office and sign them out for early dismissal.

School Bus Safety

To ensure the safety of students, it is important that parents review the following bus safety rules with their children.

- Students must sit in seats at all times while riding the bus.
- Eating and drinking are not allowed while riding the bus.
- Talking loudly or making noise that could distract the bus driver should be avoided.
- All rules described in the district's Code of Conduct should be followed.

If these rules are violated repeatedly, a student may be suspended from school transportation. Parents would then be responsible for transporting their child to and from school each day, per New York State Education Law.

A Vision for the Schodack Central Schools

The Schodack Central School District offers a small nurturing setting that will expand the educational, cultural, and social opportunities for our children and adult citizens through the use of thought-provoking experiences, high-quality resources, and technology. The community will be engaged in the life of the schools and, in return, the schools will serve the community through the use of their facilities and resources. The quality of life will be enriched through access to adult education, college and job related educational opportunities, as well as social opportunities and supports. The whole community will proudly celebrate academic, cultural, competitive and social successes that stem from our schools. The resulting high quality of life will attract citizens who enjoy sharing their talents with neighbors and the school.

Students of Schodack Central will graduate with strong academic competencies from a challenging curriculum, and will have opportunities to earn credits from our educational partners. They will have learned to value societal and global diversity, communicate effectively, collaborate by working in teams, and demonstrate self reliance and self responsibility. They will develop lifelong learning skills grounded in their curiosity, creativity, and problem solving skills. Their citizenship skills will be enhanced through community and peer to peer service, and a commitment to civility. They will be prepared socially and ready to make healthy productive choices. Their exposure to technology and knowledge of how to use it will also prepare them for an ever-evolving future.

Schodack Central School District students will be nurtured and taught by passionate and caring teachers, staff, administrators, and board members all of whom serve as good role models, in a district that is exemplary, innovative, community involved, and a valued asset to our entire greater community.

MISSION STATEMENT

To develop our students to become active, reflective, creative learners. In our schools, they will engage in rewarding work and practice behaviors that are intelligent in both an academic and a practical sense. Students will develop the attitudes, skills and understandings that will allow them to fulfill their potential and to function successfully in their individual and social roles.

BOARD OF EDUCATION

The Board of Education consists of nine community members elected to serve three-year terms of office without pay. The Board acts as a collective body to establish the policies under which the Schodack Central School District operates. The Superintendent of Schools is responsible for administering the school program within the context of these policies.

The Board typically holds meetings on the third Thursday of most months at 6 p.m. in the High School library. Please see this calendar or visit www.schodack.k12.ny.us for a list of meeting dates and locations. Board agendas and meeting minutes are also available online or by calling the district office at (518) 732-2297.

If you have a question for the Board of Education, please attend a meeting, call District Clerk Michele Reickert at (518) 732-2297 option 1, or email

boardofeducation@schodack.k12.ny.us

(your email will be sent to all Board members).

Dignity for All Students Act

All students have a right to attend school in a safe, welcoming and caring environment. To help ensure all schools support a school climate where students can learn and focus, New York State passed the Dignity for All Students Act in 2012 which created procedures to ensure every school environment is free of discrimination and harassment. This includes school property such as playgrounds, athletic fields, school buses and school-sponsored events.

Schodack CSD fully supports the Dignity for All Students Act. The Board of Education has adopted a policy to help prevent student harassment and bullying. That policy along with additional information is available at www.schodack.k12.ny.us.

If parents have any concerns about harassment or bullying, please report them immediately to your student's principal so we can investigate the concern.

Emergency Closing Announcements

If the district needs to close school because of an emergency or inclement weather, an announcement will be made on our district website, Facebook page, Twitter account, eNews, text alerts and local television and radio stations.

If the district needs to close school early, an automated phone call will be made to all designated student emergency contacts. Please ensure your Emergency Contact Information is up-to-date to ensure you receive these phone calls.

Safety Drills

To help ensure the safety of our students, faculty and staff, all Schodack schools practice safety drills throughout the school year with the assistance of police and emergency responders. Most safety drills are unannounced to better prepare schools in the event of an emergency. If you have a question about safety drills, please contact your student's principal.

Free or Reduced School Lunch Program

Did you know that your child may be eligible for a free or reduced breakfast and/or lunch? Students from households that meet federal income limits can qualify for the Free and Reduced Price Lunch Program. This is an absolutely confidential program. For more information, visit www.schodack.k12.ny.us or call 518-732-2124 ext. 2319.
