July 7th, 2020

To Fall Athletes and Families,

I hope everyone's summer is off to a great start. I am writing to you to give you some direction on when and how to send in the athletic paperwork for the 2020 fall season. The start date for Varsity and JV sports is Monday August 24th and the start date for Modified sports is Tuesday September 8th.

For the fall season, the paperwork that needs to be turned in is as follows: A physical exam form (Form A on the athletic website) is required to be turned in. If your physical exam has been done within 1 year, you do not need to turn in a new one. The health history form (Form B on the athletic website) and the eligibility card (Form C on the athletic website) are both required to be filled out and turned in for the fall season.

If you are a seventh or eighth grade student signed up for a JV or Varsity level sport, you will need to go through the Athletic Placement Process (APP). The APP packet can be found on our athletic website under [forms](#). The student will need to have the packet filled out and pass the physical fitness assessment to have the opportunity to try out for the JV and Varsity level. The physical fitness portion of the APP will be administered, if allowed, during the week before the fall season begins on a date to be determined. If you have any more questions about the Athletic Placement Process, please feel free to email Mr. Silver at msilver@schodack.k12.ny.us.

The athletic paperwork and registration process can begin on Monday, July 27th and we ask that this paperwork be mailed to the district office no later than Friday August 7th. Due to NYS law, we can not accept the paperwork before July 27th. Please mail to: Schodack Central School District, Attn: Athletics, 1477 S. Schodack Rd, Castleton-on-Hudson, NY 12033.

If there are any further questions regarding the registration process, please feel free to email myself, or Mrs. Croft, our school nurse at bcroft@schodack.k12.ny.us.

Sincerely,
Mike Silver
