# How to Create a Parent Canvas Account Using a Computer

1. Create an account at <http://schodack.instructure.com/login/canvas>
2. Click Parent of a Canvas User

3. Create a Pairing Code (This must be completed before you can create an account)

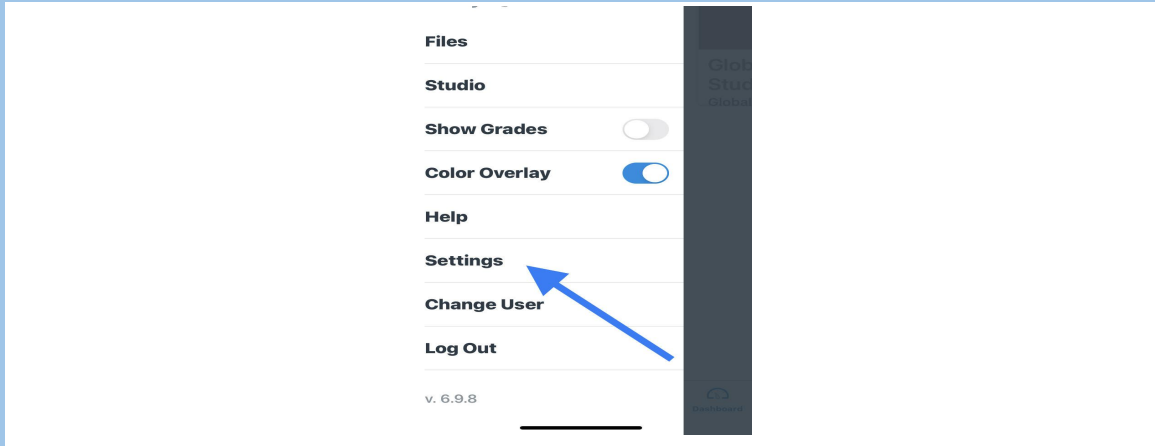

## Create a pairing code using the iPhone/Droid App

Have your student login into their Canvas App on their phone to create a pairing code.

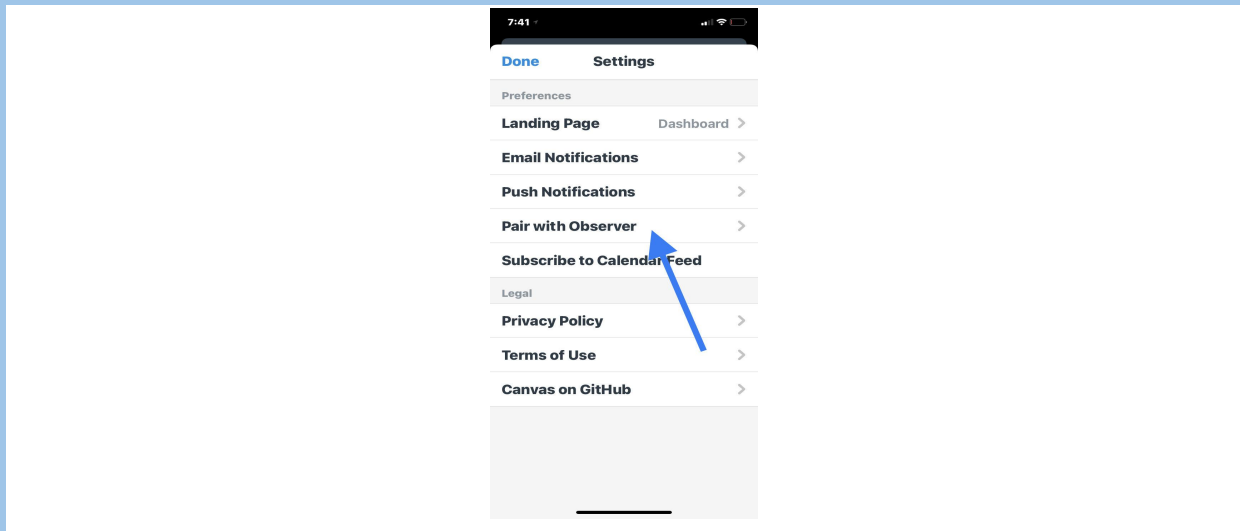

- a. Click the menu icon (Three lines located at the upper left)

**b. Click Settings**

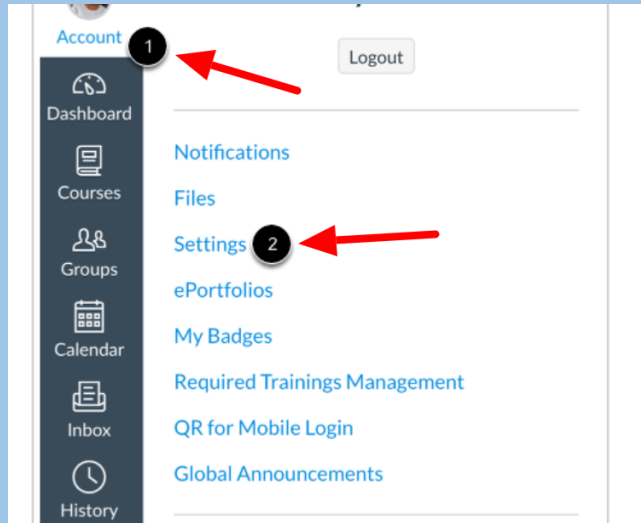

**c. Click Pair with Observer to generate the code.**

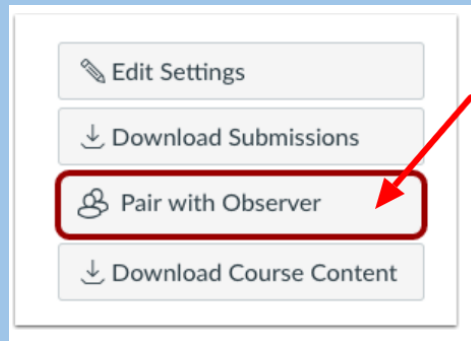

**Create a pairing code using your student's Canvas Account**

- a. From your student's Canvas account (on their Chromebook)  
click 1. Account > 2. Settings

b. Click Pair with observer (located at the left of the page)

c. Copy the code.

#### 4. Complete the registration form using the pairing code.

A screenshot of a 'Parent Signup' form. The form has a title bar with 'Parent Signup' and a close button 'x'. The form contains five input fields: 'Your Name', 'Your Email', 'Password', 'Re-enter Password', and 'Student Pairing Code'. A red arrow points to the 'Student Pairing Code' field. To the right of this field is a blue link that says 'What is a pairing code?'.

5. You are now paired with your student.
