***Spectators-** We will be allowing spectators for the tournament with the following protocols in place:

- Masks will be required at all times while inside.
- We are asking all spectators to sign in when arriving at the gym. This is for contact tracing purposes.
- We are asking that spectators sit socially distanced from people outside of their household
- To create more space in our bleachers, teams that are not playing will sit in our cafeteria. We will stream the matches and will have them available to watch on the TVs in the cafeteria.

Payment of Officials: Maple Hill will pay for all officials for all tournament games. Once we have divided up the total cost for the officials, the Maple Hill business office will invoice each participating school so that all schools will share financial responsibility of officials.

****Each school should also provide a linesperson, scorekeeper and libero tracker (if applicable).**

Awards:

There will be plaques presented to the championship team and runner-up team. There will also be an all-tournament team and tournament MVP selected.
