SCHODACK
CENTRAL SCHOOL DISTRICT

Dear Parents/Guardians,

We would like to take this opportunity to welcome your family to the Schodack Central School District. Kindergarten is an exciting time for children. The Schodack Central School District has a comprehensive process for registration. Children must be five years of age on or before December 1, in order to register for kindergarten in the upcoming school year.

Castleton Elementary School offers a full-day kindergarten program. During the screening process you will have the chance to meet teachers and ask questions about the upcoming school year.

If you have any questions regarding the registration process, please feel free to contact the District's Registrar, Jill Hanrahan at (518)732-2523 or the elementary building principal, Mr. Derby at (518)732-7755.

The Schodack Central School District welcomes you and encourages you to become actively involved in our school community. If you have questions, please do not hesitate to contact us.

Sincerely,

James Derby
CES Principal

Health Services

We would like to welcome you to the Schodack Central School District. In this packet you will find information and forms to be completed that will help us to ensure that your child will have a healthy experience at our school.

New York State Education Law requires that all newly entering students have up-to-date immunizations and a current physical. Attached are forms for your physician to complete. If needed, we can arrange for the physical to be done at school by the school doctor.

Also attached are a health history form for a parent/guardian to complete, information regarding medication at school, a medication administration form, and a Health Office Emergency Card to be completed by a parent/guardian. Should you need additional copies of any forms, they may be obtained through the school website, www.schodack.k12.ny.us.

For students in grades 7-12 that are interested in participating in sports, please check the athletic portion of the website.

Please feel free to contact us at any time if you have any health-related concerns or questions. We look forward to getting to know your child and to provide for their health needs throughout their school career.

Thank You.
