

Dear Resident of the District:

Welcome to Schodack Central School District. Our district consists of two school buildings. Castleton Elementary School (CES) serves students in grades kindergarten-6. Maple Hill Jr./Sr. High School serves students in grades 7-12.

For any student, starting a new school environment can be stressful with new surroundings, new teachers and new friends. Our goal is to make this transition process as smooth as possible. Please take the time to review the registration packet. We ask for you to bring all necessary forms with you when you register. Our registration is a three-step process. The first step will be meeting with me to review all necessary documents. The second step, which often can be at the same time, will be a meeting at the actual building your child(ren) will be attending. The third step will be to establish residency (this needs to be completed three days of initial registration). Having all papers carefully filled out and with you will move the process along quickly.

Enclosed you will find a checklist of items required at the time of registration along with any forms you will need to fill out. Please call me when you are ready to register your child.

Sincerely,

Jill Hanrahan
District Registrar

Schodack Central School District Health Services

We would like to welcome you to the Schodack Central School District. In this packet you will find information and forms to be completed that will help us to ensure that your child will have a healthy experience at our school.

New York State Education Law requires that all newly entering students have up-to-date immunizations and a current physical. Attached are forms for your physician to complete. If needed, we can arrange for the physical to be done at school by the school doctor.

Also attached are a health history form for a parent/guardian to complete, information regarding medication at school, a medication administration form, and a Health Office Emergency Card to be completed by a parent/guardian. Should you need additional copies of any forms, they may be obtained through the school website, www.schodack.k12.ny.us.

For students in grades 7-12 that are interested in participating in sports, please check the athletic portion of the website.

Please feel free to contact us at any time if you have any health-related concerns or questions. We look forward to getting to know your child and to provide for their health needs throughout their school career.

Thank You.
